General Information Sheet and Welcome

Dear Tae Kwon Do Athletes, Coaches, Referees and Families,

We are pleased to invite you to the 12th annual Michigan-Midwest Tae Kwon Do Championships being held on **Saturday, December 1, 2018**. Once again, this year's event will be held at the Macomb Community College Sport and Expo Center to accommodate the competition and those that arrive to watch. The Sports & Expo Center on the campus of Macomb Community College is a unique venue, with a great deal of space to spread out and move around. It is also close to major freeways, dining and accommodations for overnight stay.

It is our goal to provide high level competition for all competitors and a great overall experience to go with it. As always, we work hard to make sure each athlete and parent leave having had a great day. As you will see in the following pages, we are again an online **PRE-REGISTRATION ONLY** EVENT! For Michigan coaches, this is an event that brings National and International players and gives your athletes the opportunity to have quality competition close to home without the expense of long distance travel. We pride ourselves in being able to provide high-level competition in the Michigan area to help those that want to further their experience or prepare for National competition. Take advantage of this double elimination format to gain valuable ring time!

As the first event in Michigan to bring in the Daedo scoring system for competition, we are happy to announce that **ALL DIVISIONS WILL BE USING THE DAEDO SCORING SYSTEM** and black belt divisions 12-32 are running the Daedo Scoring system with **DOUBLE ELIMINATION** competition. *This is a SPARRING ONLY EVENT!*

To make sure we are thoughtful of time and thoughtful of the work put in by referees and volunteers, we are capping the registrations at 450 athletes this year. Because of this we strongly recommend you get your registrations in early, so you can participate in this great event.

We are happy to announce that once again athletes have the opportunity to participate in the chance to win a \$500 cash prize. Gold medalists from the 12-14, 15-17 and 18-32 year old black belt sparring divisions will be able to place their name in a raffle for the cash award. You don't need to be present to win.

Again we thank you for your ongoing support of the Michigan-Midwest Tae Kwon Do Championships throughout the years. We hope to finish 2018 with great competition and great experience for everyone!

Sincerely,

Master Russell Gale
